**Construction Monitor, LLC "Company Policy" and
United States "Copyright Laws"**

Please be advised that the Construction Monitor, its content and related materials are the property of its owners and that the reproduction, forwarding, or dissemination of its content without express written permission is strictly prohibited. Each subscription entitles the business and attendant personnel at that specific location the exclusive use of Construction Monitor's content and related materials in furtherance of that business. Sharing of username and passwords is also prohibited.

Should you have any questions, or be in need of adding locations to your subscription, please contact us immediately at the address or telephone numbers listed above. We offer substantial discounts for additional locations you wish to add within your company organization or to individual branch stores.

Please be assured that, in deference and commitment to our present subscribers who are in compliance, we will seek to enforce our rights and remedies to the fullest extent allowed by law. We do appreciate each and every one of our customers, and must be fair in all respects. Test names are inserted periodically to verify users.

The Construction Monitor is a copyrighted publication pursuant to Title 17, United States Code, giving it the exclusive right to make copies, to prepare derivative works, to sell or distribute copies, and to display the work publicly. Anyone else wishing to use the work in these ways must have the express written permission of the Construction Monitor or its agents. As of March 1, 1989, all United States Copyrights became subject to the International Berne Convention, which establishes the statutory damages and attorney fees to be paid for copyright violations. Accordingly, damages range between \$20,000 for ordinary infringement to a maximum of \$100,000 for willful infringement. Such damages are assessed on a per incident or unit of infringement basis.

Building Permit Contact Descriptions:

Company Contacts

Architect/Engineer/Designer: A company involved with the design of the project

Contr-Owner: A general contractor who owns the land with the intent to build and sell

Contractor: A general contractor hired by an individual or company to build

Developer: A property owner hiring a general contractor to build for sale or lease
